	Question: Comments on teaching effectiveness	
Devulapally, Naresh Kumar	(CSE 473LEC) Hes very passionate about teaching these topics. It makes the classes exciting.	

Devulapally, Naresh Kumar	(CSE 473LEC) Naresh was an amazing instructor. He was extremely enthusiastic to teach every single lecture and it was very evident that he is truly passionate about his field of profession and loves to pass on the knowledge. He broke down complex concepts into simple easy to understand modules and spent a lot of a time and effort to build live coding examples of all the concepts we learned in the course. Having access to practical models of the concepts we learned helped significantly in understanding the course material.
